Jazz in Trier

title: CHANSONS & LIEDER & JAZZ EVENING
date: 03-FEB-07 - 03-FEB-07
venue: Tufa (Tuchfabrik), Trier
description: CHANSONS & LIEDER & JAZZ EVENING, on Saturday 3 February at the Tufa (Tuchfabrik), Wechselsstrasse 4-6, Trier from 20:00.

Is jazz possible without English? ABSOLU Formation's seven musicians and two singers – one French, one German – prove it is. Each singer performs in his or her own language, presenting the dual-language program with charm and humor. The group's repertoire includes songs by Jacques Brel, Edith Piaf, Gilbert Bécaud, Konstantin Wecker and Kurt Weill. All compositions have been "jazzed up" with brand new arrangements, whilst losing nothing of their original character. The members of the group all live in Trier and the surrounding area. The mix of languages and genres is the signature of ABSOLU Formation's team of Franco- German musicians.

Organisers: Part of Luxembourg and the "Greater Region": European Capital of Culture in 2007.
