Female Jazz

title: **Female Jazz at its Absolute Best**

date: 16-JUN-07 - 16-JUN-07

venue: Lottoforum, Trier

description: Female Jazz at its Absolute Best, on Saturday 16-June-07 at 20:30, at the Lottoforum, Petrisberg, Sickingenstraße 91, Trier.

All three musicians are well known in their own right with successful careers: Angela Frontera (drums, percussion and vocals) is from Brasil, which is clear from her temperamental approach to the music; Yelena Jurayeva (piano) grew up in Kazakhstan, studied classical piano and “discovered” jazz in Western Europe, which has created an exiting new concept; Lindy Huppertsberg (bass and bandleader) thrives with new impulses without forgetting her deep roots in the swinging mainstream.

Guest star: Nicole Metzger (vocal) is a new and upcoming German jazz singer, whose energy and charisma fit WitchCraft perfectly. Together they form a powerful team with a rare perfect balance between tasteful arrangements and forceful explosions.

The mixture of swinging mainstream, soul like ballads and grooving Latin and funk spellbind audiences, organizers and music critics alike.
