Based in Amsterdam, INTUIT Quintet is an international band (France, Argentina, Holland, Norway) motivated by the same musical sensibility.

The members of Intuit Quintet have found a common interest and influence in the music of the composer/pianist Lennie Tristano and his disciples (Lee Konitz, Warne Marsh,..).

The repertoire of INTUIT Quintet consists of originals and own arrangements of Tristano's work.

Intuit Quintet is an experimented group made up of young and talent musicians who live in Amsterdam.

Although the members come from different countries: from Argentina, France, Norway and Netherlands; they have the same musical orientation which comes from the strong influence of the great composer and pianist Lennie Tristano.

The repertoire comprises Intuit Quintet's songs and original arrangements based in different Tristano's compositions and some of his well known followers as well as Lee Konitz and Warne Marsh.

Musiker aus 4 verschiedenen Staaten vereinen sich musikalisch in dieser Formation. Ihr großes Vorbild stellt der Pianist und Komponist Lennie Tristano dar und viele ihrer Eigenkompositionen tragen seine musikalische Handschrift. Doch auch einige seiner Titel werden als Originalarrangements zum Besten gegeben. Des Weiteren stehen Songs von Lee Konitz und Warne Marsh auf dem Programm. Die Formation besticht durch Spielfreude und mitreißenden Improvisationen.
